Call me out of the shadows

I lay my burdens down

Cover me with the truth  
I lay them down  
I lay my burdens down

God of new beginnings  
God of here and now  
You called us to your Kingdom  
Where freedom is found

### Verse 3

Bring us back to the promise  
You will bring hope again  
We lay them down  
We lay our burdens down

## Instrumental

## Altar Song (Refuge Album) -

### Bridge

I don't know why you would die  
Laying your life on the line  
Trading darkness for the light  
Now I'm yours and you are mine
